12:05:08 16:05:08	John W Lewis @JohnWLewis		@SunilMalhotra @dtapscott Hi Sunil! Hoping all is well with you. It would be great to see @dtapscott, if he's around for #innochat!
12:06:11 16:06:11	Sunil Malhotra @SunilMalhotra		#innochat @JohnWLewis to short a notice I guess ... fingers crossed. @dtapscott
12:06:35 16:06:35	John W Lewis @JohnWLewis		I suspect we will have a wide variety of perspectives on digital currencies. Mine is as a "not-yet user"! #innochat
12:06:36 16:06:36	Derek Miers @bpmfocus		Hi folks - managed to get here this time #innochat
12:07:02 16:07:02	Andrea Villeneuve @DreaVilleneuve		Not very knowledgeable on the topic - here to learn from some great tweeps. Hello #innochat
12:07:17 16:07:17	John W Lewis @JohnWLewis		@SunilMalhotra @dtapscott Probably :-), but that's how we seem to be rolling these days! #innochat

12:07:45 16:07:45	John W Lewis @JohnWLewis		@bpmfocus Hi Derek! Great to see you. #innochat
12:07:55 16:07:55	John W Lewis @JohnWLewis		First Q coming up ... #innochat
12:08:01 16:08:01	John W Lewis @JohnWLewis		Q1 Have you used Bitcoin or any digital currency? If not, would you? If so, for what purpose? #innochat
12:08:37 16:08:37	John W Lewis @JohnWLewis		@DreaVilleneuve Hi Andrea! Great to see you too. We all have different levels of knowledge. #innochat
12:08:57 16:08:57	Josh McCormack @joshmccormack		A1: Have not used Bitcoin. Looks promising as investment, for payments and transfers. #innochat
12:08:59 16:08:59	Derek Miers @bpmfocus		Interesting to me that you have focused your questions on Digital Currencies - much more available use cases of Blockchain #innochat
12:09:01 16:09:01	kim flum @kimflum		@JohnWLewis mine is too #innochat (but always want to learn!)
12:09:24 16:09:24	Saul Kaplan @skap5		Here for the #blockchain for #blockheads #innochat!
12:10:40 16:10:40	John W Lewis @JohnWLewis		Some people are using bitcoins for transactions. @quickmuse even suggested it on the FB group. #innochat

12:12:06 16:12:06	John W Lewis @JohnWLewis		@bpmfocus Yes, Derek, I see blockchain as technology with many applications, not a product or innovation that people can adopt. #innochat
12:12:29 16:12:29	Derek Miers @bpmfocus		Just came from a session w a "major computer" vendor where blockchain is being touted as useful wherever a shared view needed #innochat
12:13:04 16:13:04	John W Lewis @JohnWLewis		Q1A So, if you have not used bitcoin, what have you heard about it. What impression do you have of it? #innochat
12:13:46 16:13:46	Derek Miers @bpmfocus		Secondly, they are talking about providing #blockchain connectors in the core stack #innochat
12:14:00 16:14:00	Jenny Neill @jennyneill		Busy day ahead: fact checking, editing, & misc. other detail wrangling. Waving hello to #travel #innochat & #wine friends here!
12:14:06 16:14:06	John W Lewis @JohnWLewis		@bpmfocus Yup, it is being touted! But what value does it provide for people? #innochat
12:14:16 16:14:16	Saul Kaplan @skap5		The game-changing disruption isn't at the currency but at the #blockchain trusted protocol level. #innochat
12:14:33 16:14:33	Derek Miers @bpmfocus		RT @skap5: The game-changing disruption isn't at the currency but at the #blockchain trusted protocol level. #innochat

12:16:36 16:16:36	John W Lewis @JohnWLewis		Jenny!! It's been a l.o.n.g time since we saw you here! Thank you very much for the wave!! #innochat https://t.co/oq2K1QPRv3
12:17:14 16:17:14	John W Lewis @JohnWLewis		@4byoung Hello Brenda! Great to see you! #innochat
12:17:29 16:17:29	Brenda Young @4byoung		@JohnWLewis Haven't joined in to the Bitcoin trend, since actual money w/ high risk could be involved #innochat
12:17:46 16:17:46	Martin Lieberman @martinlieberman		@JohnWLewis A1 Does ApplePay count? I use that all the time. In fact, whenever it's an option, I use it. #innochat
12:17:57 16:17:57	John W Lewis @JohnWLewis		@bpmfocus So, Derek, is the digital currency application not a step that the technology is ready for? #innochat
12:18:01 16:18:01	John W Lewis @JohnWLewis		Q2 What advantages do digital currencies offer over existing currencies? #innochat
12:18:08 16:18:08	Josh McCormack @joshmccormack		I'm interested to see Bitcoin used as compensation to avoid taxation in countries like India & Argentina. #innochat
12:18:41 16:18:41	Derek Miers @bpmfocus		@JohnWLewis The challenge is aptly demonstrated here - most are not yet prepared to risk their hard earned cash #innochat
12:18:50 16:18:50	Josh McCormack @joshmccormack		I've searched for correlations between Bitcoin and gold, oil, currencies, etc. It's not a simple hedge. #innochat
12:18:51 16:18:51	John W Lewis @JohnWLewis		@bitcoinlovers2 I have a feeling that "Bitcoin Lovers" @bitcoinlovers2 is a bot, and am considering blocking it. #innochat
12:18:58 16:18:58	Brenda Young @4byoung		@JohnWLewis My biggest concern is that it could be manipulated / scammed #innochat
12:19:20 16:19:20	Josh McCormack @joshmccormack		I found Bitcoin as a true valuation for the Chinese Yuan an interesting idea. https://t.co/fmqiVoojlg #innochat
12:19:45 16:19:45	Derek Miers @bpmfocus		#blockchain OTOH is a mechanism for creating secure contracts between parties; #innochat
12:20:04 16:20:04	John W Lewis @JohnWLewis		@martinlieberman Hi Martin, I don't think so, but am sure that there are various perspectives. #innochat
12:20:10 16:20:10	Josh McCormack @joshmccormack		A2: Digital currencies are not controlled by governments. Easier to send and have provenance. #innochat
12:20:12 16:20:12	Brenda Young @4byoung		@JohnWLewis Thank you, John. Hate to miss out on the convo with the Innocats. #innochat
12:20:53 16:20:53	Brenda Young @4byoung		RT @joshmccormack: I'm interested to see Bitcoin used as compensation to avoid taxation in countries like India & Argentina. #innochat
12:21:00 16:21:00	Brenda Young @4byoung		RT @joshmccormack I'm interested to see Bitcoin used as compensation to avoid taxation in countries like India & Argentina. #innochat
12:21:12 16:21:12	Derek Miers @bpmfocus		e.g. #Ethereum (I think) being used to prove provenance of diamonds #innochat
12:21:13 16:21:13	Brenda Young @4byoung		RT @bpmfocus @JohnWLewis The challenge is aptly demonstrated here - most are not yet prepared to risk their hard earned cash #innochat

12:21:16 16:21:16	John W Lewis @JohnWLewis		@bpmfocus Exactly! So what applications would you expect to be used before cash, to establish trust. #innochat
12:21:35 16:21:35	Josh McCormack @joshmccormack		@bpmfocus And blockchain can enable clear titles to property, something we take for granted in the western world. #innochat
12:21:47 16:21:47	Saul Kaplan @skap5		The power of global connection enabled by the internet explodes when #blockchain unleashes the trusted exchange of value. #innochat
12:21:54 16:21:54	Brenda Young @4byoung		+1 RT @bpmfocus #blockchain OTOH is a mechanism for creating secure contracts between parties; #innochat
12:21:59 16:21:59	John W Lewis @JohnWLewis		Maybe provenance, but what about governance?! #innochat https://t.co/nGJ1nxSLlk
12:22:08 16:22:08	Derek Miers @bpmfocus		Most of international commerce impacted - better get ready for it #innochat
12:22:15 16:22:15	Josh McCormack @joshmccormack		@martinlieberman @JohnWLewis ApplePay is an electronic method of payment, but not a currency. #innochat
12:22:18 16:22:18	Brenda Young @4byoung		RT @joshmccormack A2: Digital currencies are not controlled by governments. Easier to send and have provenance. #innochat
12:22:40 16:22:40	John W Lewis @JohnWLewis		"Ethereum" - a platform for people to create their own digital currencies, I believe. #innochat https://t.co/coNnvP46rJ
12:22:42 16:22:42	Derek Miers @bpmfocus		RT @skap5 The power of global connection enabled by the internet explodes when #blockchain unleashes the trusted exchange value. #innochat
12:23:26 16:23:26	John W Lewis @JohnWLewis		Sounds wonderful, Saul, but in what applications? ;-) #innochat https://t.co/p35XoGLFrZ
12:23:39 16:23:39	Andrea Villeneuve @DreaVilleneuve		@joshmccormack That's an interesting thought - I wonder if our current laws regarding claiming contra jobs wouldn't... https://t.co/EoZTUCPsv6
12:23:39 16:23:39	Brenda Young @4byoung		@JohnWLewis A2 Might be easier to use if you are in and out of different countries frequently #innochat
12:23:42 16:23:42	Josh McCormack @joshmccormack		@JohnWLewis Good question. Imagine multinational corps with funds stuck offshore using digital currencies. #innochat
12:24:13 16:24:13	Derek Miers @bpmfocus		Most big corps are heavily researching impact - anywhere where you need trust between parties; hence hooks into BPM stacks #innochat
12:24:17 16:24:17	Martin Lieberman @martinlieberman		@joshmccormack @JohnWLewis True. I was just trying to jump into the conversation. Don't have much else to contribute today. :- (#innochat
12:24:34 16:24:34	Brenda Young @4byoung		RT @joshmccormack @bpmfocus ...blockchain can enable clear titles to property, something we take for granted in the western world. #innochat
12:24:39 16:24:39	John W Lewis @JohnWLewis		Yes, Josh. But why do applications of blockchain to financial transactions, require a new currency? #innochat https://t.co/ezaKV5bRxO
12:25:47 16:25:47	Brenda Young @4byoung		RT @joshmccormack @JohnWLewis Good question. Imagine multinational corps with funds stuck offshore using digital currencies. #innochat
12:25:55 16:25:55	John W Lewis @JohnWLewis		@martinlieberman @joshmccormack Jump in anyway, Martin! #innochat
12:26:10 16:26:10	Andrea Villeneuve @DreaVilleneuve		@martinlieberman @joshmccormack @JohnWLewis I'm here to learn and ask questions. It's an interesting topic #Innochat
12:26:35 16:26:35	Brenda Young @4byoung		RT @bpmfocus Most big corps heavily researching impact - anywhere you need trust between parties; hence hooks into BPM stacks #innochat
12:27:45 16:27:45	Josh McCormack @joshmccormack		@JohnWLewis They don't. They don't even require currency. Blockchain is not dependent on Bitcoin. #innochat
12:28:00 16:28:00	John W Lewis @JohnWLewis		Q3 What other applications of blockchain technology are they? And would you prefer to use those first? #innochat

12:28:18 16:28:18	Martin Lieberman @martinlieberman		@DreaVilleneuve @joshmccormack @JohnWLEwis Yup. Most #InnoChat topics *are* very interesting!
