12:09:35 16:09:35	John W Lewis @JohnWLewis		“Personally and professionally” might mean as a consumer and as a provider of innovations. #innochat https://t.co/6AtZFBPONv
12:09:55 16:09:55	Andrea Villeneuve @DreaVilleneuve		Hey #innochat - I'm here - not up a ladder today. Checking in where the snow is staying too long today.

12:12:35 16:12:35	John W Lewis @JohnWLewis		@dshlvrsn Well put, Dale. Innovation motivates us by challenging us to find better ways. #innochat

12:13:40 16:13:40	Dale H. 🎯🎯🎯🎯🎯 @dshlvrsn		@JohnWLewis If it's not a better way, it doesn't add value, therefore it's not innovation, it's #chindogu #innochat

12:15:28 16:15:28	John W Lewis @JohnWLewis		@dshlvrsn Now that's a tricky one and may be a matter of definition. We may be looking for better ways, and find one that isn't. #innochat
12:16:41 16:16:41	Sunil Malhotra @SunilMalhotra		A1. The long and short of my understanding of #Innovation almost a decade ago. Still may hold water. https://t.co/3mYscVwwZW #Innochat

12:17:34 16:17:34	Dale H. 🎯🎯🎯🎯🎯 @dshlvrsn		@JohnWLewis I agree it's a definition that I struggle with. Innovation (and value) are defined by the user not the creator. #innochat

12:39:42 16:39:42	John W Lewis @JohnWLewis		The emotional aspect of innovation seems to me to be quite important. People are moved and excited by novelty that delivers value. #innochat
